We have a professional & well trained work force, with a view to enhance standards of service and levels of efficiency.
Our company continuously working to develop its resources
We look forward to your valued partnership and assure you of our service with quality at all times.
We guarantee the best prices, excellent quality and outstanding Customer Services.

OUR PHILOSOPHY

is that everyone has the right to transport safely in a vehicle regardless of whatsoever he needs to do; going to work, shopping, visit friends or go on a holiday with family

OUR RESPONSIBILITY

is to offer safe and functional trip at a very high quality and assure the level of safety within the vehicle by work hard to achieve highest safety requirements for our special clients

OUR VALUES

- Customer Satisfaction
- Team work
- Gain Trust
- Commitment to international, Global terms &
- Honesty, integrity and transparency
- Quality & Excellence
- Be a family
- Social responsibility

Operating Equation

$$\text{Health} + \text{Safety} + \text{Environment} = \text{Success}$$

Vany's business model is dynamic and with a vision to become one of the most valued companies in Egypt.

Vany is looking forward on its journey to serve handicaps in all over the country.

Vany places great emphasis on quality in every aspect of the special needs service businesses. This focus stems from the belief that **YOUR TRIP IS A JOURNEY, NOT A DESTINATION.**

We believe that the service without quality is an objectionable value and as such we merge the quality and service so as to reach to the entire satisfaction of the Clients.
